STEWARDSHIP BY THE BOOK: One miracle of Pentecost was that, despite their diversity, each listener heard God's word in his or her own language. The meaning for stewardship is that, by sharing the gifts poured out on us by the Holy Spirit, we will be empowered to meet the needs of our brothers and sisters, whatever they may be.

CONNECTING TODAY'S SCRIPTURE TO OUR LIVES:

'As with marriage, discipleship is also a lifelong learning process. Each year of our Christian journey brings new insights, new challenges, new opportunities to grow in fidelity to Jesus and his teachings. We do not start the journey fully understanding all that it will entail. Yet we are never alone on this journey.'

HAVE YOU HEARD THIS ONE?

Three doctors are waiting in line to get into heaven. St. Peter walks out and asks the first one, "What have you done to enter heaven?" "I am a pediatrician and have brought thousands of the Lord's babies into the world." "Good enough to enter the gates," replied St. Peter and in he goes. The same question is asked of the second doctor, "I am a general practitioner and go to Third World countries three times a year to cure the sick." St. Peter is impressed and allows him through the gates. The third doctor steps up in line and, knowing the question, blurts out, "I am a director of an HMO." St. Peter meditates on this for a while and then says, "Fine, you can enter heaven, but only for two days."
