

WELCOME ADVENT!

Spend the 1st Sunday of Advent

December 3, 2017 at St. John Parish

Come travel on a **'Journey to Bethlehem'**

at the **ANNUAL ADVENT FAIR**

from 12:15pm to 2:15pm (new earlier time)!

For only \$15 per household your 'Journey' will include a visit to the following:

Angel Lighting Company – create beautiful 'angelic' candles and ornaments!

John the Baptist Outdoor Pro Shop – to create bird feeders and paint bird houses. Sorry, no 'honey or locusts.'

Mary's Waiting Room – where you will find everything you need to create an Advent Wreath with live greens for your home. **Your itinerary and fee for the trip includes the option to make this room your only stop or you also have the option to take your supplies with you to create your Advent Wreath at home.*

Away in the Manger Craft Store – create a unique Nativity Set with Mary, Joseph, & Baby Jesus; those who made their 'Holy Family & Angel, & Shepherd Sets' the last few years will add a King this year. If you have not yet started your original set, that's okay, you can do that today.

St. Lucy's Café – visit with St. Lucy while enjoying some yummy refreshments.

St. Nicholas usually takes this opportunity to visit with those on the journey!
